  - Students build and balance a realistic family budget in West Michigan
- JA BizTown - 4th-6th grade
  - Students run a town as employees of West Michigan companies, as well as citizens

\*One day commitment supporting the students

"Students are excited to see you, the curriculum is well laid out, and the communication between the Junior Achievement staff is incredible. They truly set you up for success. I look forward to continuing my involvement. There is no greater impact than that on the future generation."

JA Volunteer

"Students had a very enjoyable and meaningful experience. They learned so much."
